The Old and the New
From *Don Quixote* to Kafka
Marthe Robert
Translated by Carol Cosman
"One of the most original and suggestive books on the novel to come out of France in the last two decades. Without invoking the formulas of any particular school of criticism, Mme. Robert has simply tried to see as clearly as possible what bearing the novel, as a distinctive literary form, has on the problematics of modern culture."
—*Robert Alter*
336 pages, $12.50
